COVID-19 Precautions & Restrictions

Out of concern for the health of everyone that will be attending, the SLMF will be enforcing multiple COVID-19 precautions and protocols at the event. Masks will be required at all times, and proof of vaccination against COVID-19 must be shown in order to enter the festival. General precautions are also heavily encouraged, such as frequent hand-washing, minimizing close contact with strangers, and being mindful of your health before, during, and after the event. This is purely for the well-being of everyone in attendance, and compliance will be greatly appreciated.
